

Jefe 2 side Offers a Real Essence of Trap Music of New Generation Hip Hop in 'B4 The Klout'

The latest soundtrack B4 The Klout by New York Duo Rapper, Jefe 2 side is the epitome of revolutionary trap music. It effectively evokes trap vibes in his music.

New York City, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - With the changing waves in hip hop music, new talent is uprising with the innovation of trap music. Newly discovered artist and [New York Duo](#) **Rapper, Jefe 2 side** is stealing the thunder with his latest hip hop number '**B4 The Klout**', out on Soundcloud. He proves his uniqueness with the perfect combination of hip hop and trap music making a new category of music. With the rhythmic sound and high bassline and trap vibes, his rap song turned out to be an exquisite one.

The song is about the hurdles of life the artist faced and how it made him stronger hoping this will help the listeners with the same crisis. **Jefe 2 side** has started from the bottom and came all the way up with only his talent and passion for hip hop. He was only sixteen when he moved to a different city and started his struggle. He had to survive by hook or crook. His latest creation '[B4 The Klout](#)' captures the hustle that he faced to see himself in glory. Basically, the song vibes in with trap music portraying street- life and his expectations. From a young age, he started his hardship and the burning passion only kept him going. As a result, his new song is dope and everybody is loving him.

The song is so catchy in a melody that catches your attention. He is motivated from the street life and makes music that revolves around it. That's why this new artist already secured a place in the hearts of his followers as his aura and his new hip hop song is very relevant. He was young when fell for the love of hip hop and started a revolution, managed to have his own production house AO/ All*Official. Check out **Jefe 2 side**'s other videos on YouTube which are smashing hits. Follow him on [Instagram](#) and SoundCloud for more.
