

Kristen Reese, MD, a Pediatrician Children's National

Get to know Pediatrician Dr. Kristen Reese, who serves patients in Washington, D.C.

New York City, Oct 15, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Board-certified pediatrician, Dr. Reese is currently serving Washington, D.C. and the surrounding communities. She is affiliated with Children's National - the premier provider of pediatric services in the Washington, D.C., metro area and it's only health system specializing in kids. Last year, they saw more than 219,000 children from the nation's capital, Maryland and Virginia as well as from across the country and around the world.

In 2010, Dr. Reese earned her Medical Degree from Jefferson Medical College. She went on to complete an internship and residency in pediatrics at Children's National Medical Center in 2011 and 2013 respectively. She was selected as a chief resident upon completion of her residency.

Dr. Reese is board certified by the American Board of Pediatrics (ABP). The ABP is an independent, nonprofit organization whose certificate is recognized throughout the world as a credential signifying a high level of physician competence.

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. As a pediatrician, Dr. Reese enjoys fostering collaborative relationships with families while supporting the growth and development of their children. She works with infants through young adults up to age 21. She is a resource for medical, preventive, mental, and emotional care for her patients. With over 9 years of experience in the field, Dr. Reese has treated hundreds of patients with a variety of common and complex illnesses.
