About the Canada Business Visa

What is a business visitor

You're a business visitor if you:

come to take part in international business activities without being part of the Canadian labor market are visiting Canada temporarily to look for ways to grow your business invest advance your business relationships. Business visitors usually stay in Canada for a few days or a few weeks but are able to stay for up to 6 months.

Types of activities

Activities you may conduct as a business visitor include:

buying Canadian goods or services for a foreign business or government
taking orders for goods or services
going to meetings, conferences, conventions or trade fairs
giving after-sales service (managing, not doing hands-on labour)
being trained by a Canadian parent company that you work for outside Canada
training employees of a Canadian branch of a foreign company
being trained by a Canadian company that has sold you equipment or services
