Expanding into the Corporate wellness space providing health and wellness education and services for your employees.

*Nouveau Medic LLC
Concierge Medicine*

Atlanta, Oct 9, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Nouveau Medic LLC is a Wellness healthcare company that provides a holistic approach to patient care. They have merged with Nutrinique Living LLC to help employers take a new approach to improve employee health, our wellness programs include activities such as group exercise activities, weight-loss competitions a programs along with educational seminars, along with onsite biometric health screenings that are designed to help employees eat better, lose weight and improve their overall physical health. Our wellness programs can help improve employee

productivity and decrease sick days and leaves of absence, all of which reduce operating costs. Employees who participate in our corporate wellness events also benefit from wellness programs through lower health insurance premiums, decreased out-of-pocket medical expenditures and an increased sense of well-being.

Nouveau Medic LLC/Nutrinique Living LLC offers a variety of scheduled programs, such as stress management seminars that address everything from sleep to work-life balance to financial health; cooking classes; healthy recipe exchanges and fitness challenges. Other Healthy and appealing food might be served at events along with samples and mini education exercises.

Dr. Joy Edwards And Antionette Ouattara MPH. MS. is ready to help your company achieve a healthy and balanced work-life today!!
