Get to know Registered Nurse, Patricia A. Reilly, who serves patients in Bradford, Ontario, Canada.

New York City, Oct 16, 2019 (IssueWire.com) - Get to know Registered Nurse, Patricia A. Reilly, who serves patients in Bradford, Ontario, Canada.

Patricia is a registered nurse who is currently serving patients at Southlake Family Academic Team, Bradford Family Medicine -in Bradford, Ontario, Canada. There Patricia's current scope of practice includes, but not limited to managing patients from two months old to senior citizens. She performs well-baby checks, manages immunizations, well women care, hypertension, and is part of the flu and injection clinics. A lifelong healer Patricia holds a unique combination of clinical and management skills. Patricia began her career and was a dedicated registered nurse in Cardiology intensive Care at The Brigham and Women's Hospital in Boston, Massachusetts. There she gained experience as a clinical nurse and ran cardiovascular clinical trials. She provides comprehensive management of cardiovascular patients which includes: gathering history; assessing current health and assisting with physicals; perform and interpret electrocardiograms; participate in percutaneous coronary intervention; perform venipuncture while managing critically ill patients in cardiogenic shock.

Throughout her education, Patricia earned her Associate's Degree in Nursing and certification as a Registered Nurse from Miami Dade College. She then went on to earn her Bachelor of Science in Healthcare Administration from Barry University in Miami Shores, Florida in 1993.

Patricia began her career as a cardiology intensive care nurse followed by Director of Cardiology Research at the Florida Heart Group, PA, Orlando Florida. She then was the Director of Cardiology Research at Intecardia Research and then the Clinical Research Associate at Duke Clinical Research Institute. Furthering her career she then was the Director of Cardiovascular Research at Carolinas Medical Center in Charlotte, NC. Upon relocating to Canada, she was employed by Sunnybrook Medical Institution as a Clinical Research Coordinator in Cardiology. Her current position is at Southlake Academic Family Healthcare Team at Their affiliated Bradford Family Health Team in Bradford Ontario Canada.

Moreover, she has published articles on patient care and patient satisfaction in the CVICU at Brigham and Women's Hospital in Boston, Massachusetts.

With several years of experience as a nurse, Patricia attributes her success to the mentors she had and the training she received at Brigham and Women's Hospital. In order to stay up to date in her field, she remains a member of the Registered Nurses Association of Ontario, the American Nurses Association, and the American Heart Association.
