

Ron Howard's Spy Vs. Spy Has Cast It's Leads

Ryan Gosling, Tom Fetner and Saoirse Ronan will be leading Ron Howard's Spy Vs. Spy!

New York City, Oct 11, 2019 (Issuewire.com) - *Spy Vs. Spy* has been in development for 8 years and has finally started to move. Previously announced, **Ron Howard** and **Imagine Entertainment** will be making this film, based off the **MAD Comics**. The team Grazer and Howard are currently in talks with **Netflix** and others who are interested in producing the picture.

Spy vs Spy is about two agents involved in stereotypical and comical espionage activities. One is dressed in white, and the other in black, and are particularly known for their long, beaklike heads and their white pupils and black sclera. The pair are always at war with each other, using a variety of booby-traps to inflict harm on the other. The spies usually alternate between victory and defeat with each new strip. A parody of the political ideologies of the Cold War, the strip was created by Cuban expatriate cartoonist **Antonio Prohías**, and debuted in *Mad* #60, dated January 1961.

Two time Academy Award Nominee, **Ryan Gosling**, will be playing "The Spy in Black". Gosling was last seen on the big screen as Neil Armstrong in **First Man**. This will be his first film since 2018 and it looks like a big one!

Co-starring in the film with Gosling will be Young Hollywood Rising Star, **Tom Fetner**. He will be playing "The Spy in White". Fetner finished filming *Hillbilly Elegy* which is another Ron Howard Film. He has also just been cast in the long-awaited film *Spring Awakening* as Moritz Stiefel.

Playing Tom's love interest, "The Spy in Grey" is the superb, Three-time Academy Award Nominee, **Saoirse Ronan**. She will be in the Oscar-bound film *Little Women* coming out this December with **Timothee Chalamet**.

Ron Howard quoted:

“When I watched these two (Tom and Saoirse) at the first reading 2 months ago, I knew right away that I had made the right choice. You can’t fake that bond between actors.”

Let’s hope the two can recreate it for the film.

There has been no information about any release yet, but I assume once they find out if Netflix wants to have the film on Their Streaming Service, we will find out pretty soon.

This information has been given to us by **Imagine Entertainment**. Additional information and Casting is soon to come.
