

Sharvil G. Shah, DMD, a General Dentist with Plymouth Dentistry

Get to know General Dentist Dr. Sharvil G. Shah, who serves patients in the Michigan.

New York City, Oct 4, 2019 ([Issuewire.com](https://www.issuewire.com)) - Specializing in general dentistry, Dr. Shah is currently serving patients' dental needs at Plymouth Dentistry in Plymouth, Michigan. Plymouth Dentistry offers patients a superior level of treatment and customer service by combining modern techniques and state-of-the-art dental technology with traditional treatment methods. The practice offers a range of dental services, which include dental implants, dentures, root canal treatment, cosmetic dentistry, and family dentistry. Dr. Shah is responsible for bringing the latest available technology to Plymouth Dentistry, including iTero Scanner (for digital impressions) and Cone-Beam CT scanning (for 3D X-rays). This technology ensures that he will provide implants of the highest quality to all of his patients.

Alongside serving patients' dental needs at Plymouth Dentistry, Dr. Shah is on staff at Integrative Oral Medicine, Kiss Dental, and Dental Arts, all located in Michigan.

Growing up in the Ann Arbor area, he attended the University of Michigan for his undergraduate studies. He then went on to earn his Doctor of Medicine in Dentistry degree from the University of Louisville School of Dentistry in Louisville, Kentucky. While in dental school, Dr. Shah excelled academically while also contributing to the community. He won the prestigious Psi Omega Achievement Award and volunteered his time through many dental service organizations. He especially cherishes the mission trips where he was able to help the local population by providing free dental care.

After graduating from dental school, Dr. Shah has continued to increase his knowledge of complex dental procedures through conferences and numerous continuing education programs. He has extensive knowledge in root canal therapy, replacing missing teeth with dental implants and all forms of extractions. He is also very knowledgeable in restorative dentistry and Invisalign technology to straighten teeth.

In addition to being a Fellow of the Academy of General Dentistry, Dr. Shah is an active member of the Michigan Dental Association. He is also a graduate of the distinguished Kois Center, which is one of the best training institutes for dentists. His extensive training enables him a deeper understanding of his patients' dental concerns and allows him to offer a range of creative solutions for his patients.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. A general dentist is a primary care dental provider. They diagnose, treat, and manage patients' overall oral health care needs, including gum care, root canals, fillings, crowns, veneers, bridges, and preventive education. Dr. Shah believes in developing a relationship with his patients and genuinely getting to know them and their families.

In his spare time, he is an avid sports fan, especially the University of Michigan sports. If he's not at a Michigan football or basketball game, he is most likely spending time with his family and his two dogs, Wilbur and Mowgli.
