

SHE Teams Launched Elearning Courses on Awareness by Swift Elearning Services

Hyderabad, Oct 30, 2019 (Issuewire.com) - To increase the horizon of training activities carried out by SHE Teams, free e-learning courses have been initiated by Telangana State Police (Women Safety Wing) and Swift eLearning Services with the sole purpose to raise public awareness on women's safety among the citizens, especially women.

The following e-learning online courses developed by [Swift eLearning Services](#) were launched on Thursday, 24th October 2019.

- **Street Sexual Harassment Awareness**
- Cyber Crimes Awareness

By using this training course, the users will be able to

- Identify the forms and consequences of Street Sexual Harassment and Cyber Crimes.
- Learn about the consequences and impact of such crimes.
- Outline the ways to approach SHE Teams in case of harassment

eLearning course will provide an edge to the SHE Teams and empower them with **online training**. The target audience of the SHE Teams' campaign is the general public. We encourage all citizens especially college students who are well equipped with technology to take these courses and learn online at their convenient time.

This course is available for free on <https://sheteams.swifthcm.com>.

At the end of this course, there shall be an assessment of random 10 questions and upon successfully answering at least 8 questions, and awareness appreciation certificate endorsed by SHE Teams and Swift Elearning Services shall be generated online and issued to the user.

Any School/ College/ Corporate/ NGO who wishes to include these free courses for their students/ Employees can reach out to Sayeed on 9573302126 for further assistance.
