**Music Career:** Former bricklayer has become one of Manchester's growing Rapper's/Grime MCs to make a stance in the music industry, the 29-year-old independent artist has stemmed along the way from his OneWayTV debut freestyle on October 8th.

Building a reputation of an extremely cold lyricist from then till now such as the No Mics Needed Grime Cypher on March 7th 2012.

Continuing to upmarket and expand throughout his musical journey collaborating with producers such as TowerBeatz, gaining over 220 thousand views on the visuals produced for the song titled Feel That Vibe, firstly released on August 7th 2017 on the **Sir Frost YouTube channel**.

**SirFrostVEVO** has been another major highlight success for this Artist, as first time releasing on to his channel with an eye-catching and a need for more of his cold freestyle/rapping whilst driving, the video had gained 2.2 million views on his Instagram profile posted on July 7th 2018 and over 170 thousand on his youtube channel.

Releasing his **10 track debut EP** in June 2019 -Operations and Logistics-the promotion video on his Instagram page hit a staggering 8.4 million views posted on October 11th 2018, which can now be streamed and purchased on all digital streaming platforms, featured producers such as TowerBeatz and many more, with So Far a featured track from the EP being streamed over 10 thousand views on his youtube channel since the release and still gaining also to mention now trending on Spotify with over 30 thousand streams plus, this has sure been another successful project delivered by Sir Frost.

Racking up over half of a million views in total on his Soundcloud through 2018 till today, the future really is looking bright for this aspiring individual.

**Support act** for London rapper Klashnekoff at the Rebellion night club Manchester on October 20th 2017 which was a very successful event.
