

Benjamin Gubernick, DDS, a General Dentist with Flex Dental

Get to know General Dentist Dr. Benjamin Gubernick, who serves patients in Tampa, Florida.

New York City, Nov 5, 2019 (Issuewire.com) - Specializing in general dentistry, Dr. Gubernick is currently serving patients' dental needs at Flex Dental in Tampa, Florida. There, he remains dedicated to providing compassionate and personalized care.

Born in Boston, Massachusetts, he moved to Florida with his family when he was only six months old. He was raised in Palm City and considers himself a Florida native. He knew from a young age that he wanted to become a dentist due to the unique blend of science and art that dentistry entails.

Upon graduating from the University of Florida with a Bachelor of Science degree in Microbiology in 2011, Dr. Gubernick moved to Baltimore, Maryland to pursue his dream at the prestigious University of Maryland College of Dental Surgery. He graduated with his Doctor of Dental Surgery degree in 2015. He completed a general practice residency at the Malcom Randall VA Medical Center in Gainesville, Florida. This additional post-graduate training allowed him to enhance his skills in restorative and

surgical dentistry.

Sensitive to the needs of his patients, the dentist is dedicated to providing quality care. He appreciates the ability to heal patients not only physically, but emotionally and socially as well. Understanding that dentistry is an evolving science, he is committed to continuing education for the betterment of his patients. He is an active member of the American Dental Association, the Florida Dental Association, and the Academy of General Dentistry.

Dedicated to his community, Dr. Gubernick volunteers at the St. Pete Free Health Clinic to provide general dental services. He is a member of the Bryan Glazer JCC and a member of Schaarai Zedek Jewish congregation.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. General dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

When not working, Dr. Gubernick enjoys participating in local Tampa Bay Club Sports, exercising at the JCC, enjoying the food and restaurants that Tampa has to offer, as well as spending time with his friends and family. He met his wife, Becky, in Gainesville, Florida at the University of Florida. They were married on January 20th, 2019. Becky is an Academic Advisor at the University of South Florida.
