

Bernice Pritchett, MD, Family Practitioner with Advent Health Medical Group

Get to know Family Practitioner Dr. Bernice Pritchett, who serves patients in Orlando, Florida.

New York City, Nov 2, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Pritchett is a family practitioner serving Orlando and the surrounding communities. She is affiliated with Advent Health Medical Group, a coalition of over 2,000 physicians, advanced practice providers, residents, fellows, and faculty members. This comprehensive network spans 9 states offering patients an unparalleled continuum of care across the country.

She empowers patients to live healthy lifestyles by promoting wellness through preventive actions and patient education. At her office in Avalon Park, she manages acute and chronic illnesses in patients of all ages and performs minor, office-based procedures. Dr. Pritchett enjoys empowering patients to live as healthfully and comfortably as possible through wellness education, lifestyle modifications, and preventive medicine.

Her patients have excellent experiences with her, one stating, “Dr. Pritchett and her staff are very caring and professional. Dr. Pritchett never rushes you out of the office and always takes the time to listen to you and a follow-up phone call is always made and appreciated. I highly recommend Dr. Pritchett.”

In regards to her education, Dr. Pritchett earned her Medical Degree from Wright State University. She went on to complete a residency in family medicine at Good Samaritan Hospital.

Additionally, Dr. Pritchett is board certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a not-for-profit, private organization whose mission is to improve the health of the public through board certification, residency training, research, leadership development, and promoting the development of the specialty of family medicine.

Family Medicine is a medical specialty devoted to comprehensive health care for people of all ages. As a family practitioner, Dr. Pritchett specializes in diagnosing and treating illnesses. She also puts the focus on preventative care with routine checkups, tests and personalized coaching on how to maintain a healthy lifestyle.

During her time in the field, Dr. Pritchett has treated countless patients.
