Newark, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - Another smashing hit song is produced by none other than [Dj Rob Ru](#) all the way from New Jersey, America. He released a soulful song '**Side Eye**' with another tremendous singer Rob Scott that went all viral on Spotify topping the charts. He collaborated with Rob Scott and produced 'just A Sample'. '**Side Eye**' lists under the compilation 'just A Sample'

that is out now.

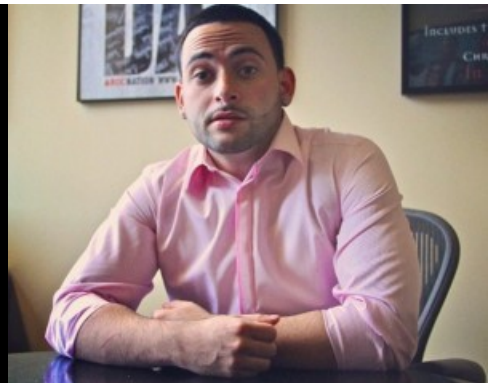

Dj Rob Ru is the pioneer of modern rhythm and blues who has produced several tracks over a year's span. He successfully became a brand name after years of hard work and honed up skills in music. Some of his famous tracks are: 'Intuition', 'Getting Old' and '[Side Eye](#)'. He is gaining popularity with his creativeness in mixing sounds and producing entrancing rhythms that shape up as songs with powerful words.

'**Side Eye**' is a soulful melodic song that has beautiful verses to touch your soul with sentiments. Surely this song proves that the artist is sentimental and likes to push himself beyond boundaries. He used words to convey the heaviness of his burdened heart and the sound is melancholic yet engaging and soul touching. The profound verses in the song with the eternal voice of Rob Scott make this song a masterpiece.

Dj Rob Ru decided to make music at a young age and never really stopped from what he promised himself. This particular song has crossed millions of streams over the period. It is a song of heartbreaks and heaviness but music is so mesmerizing that it puts your heart at ease. Follow him on [Instagram](#) and [Twitter](#) for more.
