

Hayzel Eyes' 3rd Single Release "Crazy for You"

Crazy for You - their new single

New York City, Nov 11, 2019 (Issuewire.com) - Vocalist Hayzel's powerful, versatile voice and producer **Boris Berlin's** European-American production aesthetic make for irresistibly catchy songs that span the gamut from soaring ballads to neo-soul and future-funk and banging uptempo dance anthems. Hayzel's voice has an unusually large range from rich lows to soaring highs and a great emotional versatility. Boris combines years of production savvy from working in the trenches of the NYC underground scene as well as pop and EDM records.

Hayzel Eyes aims to entertain with stylized performances and music videos, and timeless music that spotlights memorable melodies and irresistible grooves.

Their new single “**Crazy for You**” merges deep-dark low end inspired by trap with the brooding mood of trip-hop and a tonal language reminiscent of French chanson.
