

JSO Wood Products Reliable Name Availing Wood Veneer Sheets Louisville KY

Louisville, Nov 21, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Whether it is for the longevity of wood products or to make wood products more beautiful and eye-catching [wood veneer sheets](#) are second to none. Wood veneers are mainly used for covering over the wood products including dining tables, chairs, center tables, study tables, wardrobe, cabinets, beds, and many more wood products for official, commercial, and residential uses. It is undeniable that the wood veneer sheet now has importance in

interior designing projects. **Wood veneer sheets** are non-toxic and best to add life to wood products. JSO Wood Products is one of the best companies that offer quality wood veneers to furniture manufacturers to retail customers, distributors to woodworking professionals for years.

JSO Wood Products has been serving its customers since its inception. The company has started its journey in the year 1995 and has been serving the demands of wood veneer, wood veneer panels, wood edge bandings, and PVC edge banding to its customers gracefully. The company is renowned and reliable to offer industry-standard and inexpensive **wood veneer sheets** in Louisville and its adjoining areas since 1995. The company has a strong base of customers including a huge number of returning customers. Be it for wood veneer sheet for aircraft furniture manufacturing or for residential or commercial interior designing, JSO Wood Products can meet the need and demand without any quality compromise on-time.

When it is all about standard size backed veneer and raw veneer, JSO Wood products comes top at the manufacturer's list in Louisville. The company has ample stock to serve the needs of **wood veneer sheets** around the year. the company offers wood veneers that are mainly produced from the wood of Ash, Birch, Cherry, Mahogany, Maple, Red Oak, Walnut, and White Oak. These veneer sheets are available in flat cut, quarter cut, and rift cut. These veneers are available in different sizes with different backers (varies by thickness). The company also can offer exotic **wood veneer sheets** that come up with 10 mil backer. Though, customers need to wait more than two weeks if they order veneer sheets with above 10 mil backer.

JSO Wood Products offers **wood veneer sheets** with 10 mil, 20 mil, and 30 mil backers. But, the 10 mil backer included veneer sheets are readily available and are shipped within 3 to 5 days after order placed. Apart from regular veneer sheets, the company offers sequence matching veneer, end matching veneers, slip matching veneers, pre-finished veneers, colored and grain matched veneers, and balance matching veneers at affordable prices.

JSO Wood Products: JSO Wood Products is one of the dependable and veteran **wood veneer sheets** manufacturers and suppliers in Louisville, Kentucky. The company has been serving the demands of wood veneer sheets in different species since 1995. The company is easy to contact and they deliver products as early as possible. The company is reliable to order veneer sheets for aircraft interior designing and general furniture manufacturing.
