

Law Enforcement Expert Publishes Book Promoting Personnel Welfare

Writer motivates law enforcers to better serve the law and the community

AFFIRMATIONS FOR LAW ENFORCEMENT

**WE PROTECT.
WE SERVE.
WE CARE.**

Pittsburg, Nov 22, 2019 (IssueWire.com) - Dr. Darlene P. Hoyt's [*Affirmations for Law Enforcement: We Protect. We Serve. We Care.*](#) Is a look at the dangers law enforcement personnel encounter every day. Knowing that they risk their lives to protect and serve, Hoyt wrote the book so she could help in reducing the stress, strains, and pressures these brave men and women get from their daily grind. As a Board Certified Police and Public Safety Psychologist, she motivates and aids these personnel so they could stay focused, motivated, and fit to serve the community.

Dr. Hoyt has been working in the field of Law Enforcement since 1990 providing counseling, training at the Academy, Peer Support, and Critical Incident Debriefings, working with Swat Teams, providing Pre-Employment Psychological evaluations for hire, and testifying in Court. She hopes that her book will serve as a tool to be used for these personnel to attain success and job satisfaction.

Dr. Hoyt's work will be exhibited at the Miami Book Fair Street Fair weekend, to be held at Miami Dade College (Wolfson Campus) in downtown Miami this coming November 22-24 at the Authors Press booth. To get the latest update on authors, like and follow Authors Press on Facebook and Twitter.
