Mitch Gibson - Founder of LBD Marketing

Mitch Gibson

Sydney, Nov 27, 2019 ([Issuewire.com](https://www.issuewire.com)) - [LBD Marketing](#), the leader in facebook advertising based in Australia, announced the launch of their newly redesigned website, which includes cutting-edge technology, attractive design work, and showcasing their facebook advertising case study.

"We're truly excited about the newest website," said Founder Mitch Gibson, "It does a great job showing the stories of our clients in an effective way. It's been a big project, but one that we are proud of."

Being a [facebook advertising agency](#) that's excited about helping its clients surpass their goals and exceed their objectives, LBD Marketing worked hard to make sure its new site would be a platform to share and showcase the success stories of LBD Marketing clients above all else. New clients can book a 30 minute ZERO OBLIGATION facebook advertising consultation to discuss how Facebook Ads could benefit your business.

Since its beginning in 2012, LBD Marketing has grown to become one of the biggest players in the facebook advertising industry. Helping more than 10,000 clients in this wide range of industries, LBD

Marketing has focused on help businesses win online by offering more visitors, more leads, more clients, and more revenue.
