

Learning Dude Wins Award For Excellence In Digital Marketing For Teaching Industry

Digital Excellence Award

Coimbatore, Nov 20, 2019 (IssueWire.com) - At the recently decided 3rd Edition of Digital Teaching Summit in Mumbai, 2019, Learning Dude, leading digital training institute, won the award for **Digital Excellence in Teaching / Education Services**. The award was received by Mr. Shiva Kumar, CEO who was also a speaker at the event.

Commenting on this achievement, Sathish, Vice President, Learning Dude says, “With years of experience in providing digital marketing Educations to leading players in the (Teaching and Education industry), Learning Dude has gained in-depth knowledge. We have been delivering exceptional skills to these students and it is an absolute honor to be awarded for our excellence.”

The awards were judged by a respected panel from leading institutions like Digital Vidya, NIIT, DSIM, and many more. 12 awards across categories were given out to the best-of-the-best during the Conference. After careful discussion, the high-status awards were given out to brands and institutions that outclassed and excelled in their [digital marketing](#) campaigns.

Learning Dude has been consistent outperformer for its students- delivering excellent results for leading institutions such as NIIT, Simplilearn, EduKart and many more. As a result, the [Digital marketing course in Coimbatore](#) has now added many new students to its certification and is hoping to work with more companies that are serious about improving their digital performance.

In the past, Learning Dude was awarded “Best Digital Marketing Training in 2018” for a Letsdiskuss, Digital Training Institute For Learners and awarded the “Best Educating Institution in 2017” for Teaching services rendered to a leading NBFC.
