

Notification of possible HIPAA breach

Pembroke Pines, Nov 5, 2019 (Issuewire.com) - We are posting this letter to you as part of Rosenbaum Dental Groups' commitment to patient privacy. We take patient privacy very seriously, and it is important to us that you are made fully aware of a potential privacy issue. We have learned that your personal information, including name, address, may have been compromised. On Monday, July 1st 2019, we mailed postcards about our potential security breach, that was discovered on June 3rd it stated that we were hacked then attacked by malware. We reported the incident to our patients by postcards we want to apologize for using that medium, we have now sent letters to you instead to notify you of this error on our part. We have not received any indication that the information has been accessed or used by an unauthorized individual.

We are keenly aware of how important your personal information is to you. If you choose, as a measure of added security, we are offering one year of credit monitoring and reporting services at no cost to you. This service is performed through Credit Sesame, an organization that watches for and reports to you unusual credit activity, such as creating new accounts in your name. Credit Sesame may also request that the three credit bureaus place a "Fraud Alert" on your credit report. If you would like to receive this service, you may click [here:https://www.creditkarma.com/signup?intent=credit-monitoring](https://www.creditkarma.com/signup?intent=credit-monitoring)

We understand that this may pose an inconvenience to you. We sincerely apologize and regret that this situation has occurred. We are committed to providing quality care, including protecting your personal information, and we want to assure you that we have policies and procedures to protect your privacy. If you have any questions, please contact [954-981-5600](tel:954-981-5600).
Sincerely,

Privacy Officer
