

Ryan Naujoks, MD, an Orthopedic Hand Surgeon with Orthopedic Associates of Middletown & Middlesex Center for A

Get to know Orthopedic Surgeon Dr. Ryan Naujoks, who serves patients in Middletown, Connecticut.

New York City, Dec 15, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Dr. Naujoks is a board-certified orthopedic surgeon who specializes in hand and wrist surgery, fracture care, shoulder replacement, arthroscopic shoulder and elbow surgery, as well as Dupuytren's contracture. In addition to being an affiliate of Middlesex Hospital, he is in practice at Orthopedic Associates of Middletown.

Located in Middletown, Connecticut, Orthopedic Associates of Middletown provides the most advanced care for the diagnosis and treatment of a wide array of orthopedic and rheumatologic conditions. The

practice has the latest equipment and provides each patient with the best possible, individualized treatment to help them maximize their mobility and strength.

In his professional career, Dr. Naujoks is also the Owner of Middlesex Center for Advanced Orthopedic Surgery in Middletown. "Middlesex Center for Advanced Orthopedic Surgery (MCAOS) is committed to the enhancement of life by providing access to quality surgical care services delivered in an efficient, cost-effective manner. MCAOS provides effective outpatient services using modern, state-of-the-art technology in a friendly and caring environment by highly-skilled, compassionate staff serving Middlesex County and surrounding communities." as stated on the practice's website.

A 1998 graduate of Bowdoin College, he earned his Medical Degree from the University of Connecticut School of Medicine in 2004. He completed his residency in orthopedic surgery at the University of Connecticut School of Medicine, where he was awarded the Butterfield Award for Excellence in Orthopedic Trauma Surgery. Thereafter, he went on to specialize in the treatment of hand and upper extremity injuries through a fellowship at Allegheny General Hospital in Pittsburgh, Pennsylvania.

In order to stay up to date in his field, he remains a member of several professional organizations, including the American Academy of Orthopedic Surgeons, the American Society for Surgery of the Hand, the Middlesex County Medical Association, the Connecticut State Medical Society, and the Connecticut Orthopedic Society.

Moreover, the doctor is board-certified in orthopedic surgery, with subspecialty in hand surgery by the American Board of Orthopedic Surgery (ABOS). The ABOS is an organization with the goal of establishing educational and professional standards for orthopedic residents and surgeons, as well as evaluating the qualifications and competence of orthopedic surgeons.

Orthopedic surgery or orthopedics is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopedic surgeons use both surgical and nonsurgical means to treat musculoskeletal trauma, spine diseases, sports injuries, degenerative diseases, infections, tumors, and congenital disorders.

Married with three children, Dr. Naujoks enjoys spending time with family, traveling, woodworking, and participating in sports.
