

Southeast Elite Movers Is Now Offering Affordable Moving Services

Southeast Elite Movers Signs A Major Contract With Mint Magazine

Jacksonville, Nov 21, 2019 (Issuewire.com) - Southeast Industries Corporation, Signed a deal with Mint Magazine to promote discounted rates all across the state of Florida. Just shortly after ending there contract with Groupon at the beginning of October, After breaking moving company sales record on Groupon. In the month of September Southeast Elite Movers sold over 45 Groupons after the deal went live on September 8th. The Owner stated "Groupon has been giving customers incorrect information to the deal we were offering, as well as giving customers the wrong phone number." The same day that was stated Southeast Industries Corporation ended all further business deals with Groupon Corporation.

Southeast Elite Movers is mostly known for moving high-end consumers and business. So most of there customers are earning in the area of \$90,000 to \$230,000 per year. Southeast Elite Movers CEO stated on Friday, November 15, 2019. "I realize not everyone can afford to move with a moving company, But we are very up-front with our prices. We charge only by the hour and this information is explained to every customer that books with us." He went on to say to help out customers who cannot afford to move with us we have put out deals on varies websites like localflavor.com and many others. The [deals](#) that Southeast Elite Movers offer will most likely be offering 1 hour of [free moving services](#) and the customer will have to pay for 1 hour of services.

[Southeast Elite Movers](#) have learned when you take on new customers that are not use to moving with a moving company its sometimes more headache for less pay. Southeast Elite Movers has plans of raising there price on new years day. No one knows how much the new hourly rate will be as of now, but its not going to be affordable to the lower income customers. So it looks like they have signed this new deal with mint magazine to make there services affordable to lower income customers.
