

Startup to Position Ayurveda Doctors Globally in Digital Space: Indianvaidyas.com

Noida, Nov 11, 2019 (IssueWire.com) - Indianvaidyas.com is being Launched with a zeal to establish [Ayurvedic Doctors](http://AyurvedicDoctors.com) also known as Vaidya's across the Globe on all search engines like Google, Bing, Yahoo, etc....

Dr. Piyush Juneja, the Founder, noticed then when someone searches Ayurvedic Doctor in a nearby area on search engines there is no dedicated website listed on the first page of search engines entirely dedicated to [Ayurvedic Doctors](http://AyurvedicDoctors.com) only.

He understood that patients are unable to get connected to the specific ayurvedic doctors in their localities.

"As I had benefited immensely from local SEO, I decided to bridge this gap."

Indianvaidyas.com is a platform where the community can get connected to [ayurvedic doctors](http://ayurvedicdoctors.com) and [ayurvedic clinics](http://ayurvedicclinics.com) in real-time.

Besides helping the community, Indianvaidyas.com also helps Ayurvedic Doctors & Students in connecting to the potential employment opportunities, latest news, updates on Events, CMEs, Workshops, eBooks, Educational Presentations, Videos and will launch many more tools in future to strengthen the community of Ayurveda Doctors and Students.

Indianvaidyas.com has also started publishing crossword on Ayurveda and White Board Marker Videos on Ayurveda Education & Awareness

(First of its kind initiative in Ayurveda Domain)

Vaidya's can post their Blogs and write Articles to educate the community.

Ayurveda doctors are eligible to sell medicines only to their patients.

However several times they are unable to get connected to specific manufacturers.

"We connect the doctors with the companies directly"

For this purpose, IndianVaidyas.com has tied up with all leading manufacturers of Ayurveda/Herbal Medicines & Herbal Supplements Companies.

As of now, 5000+ Ayurveda Doctors(Vaidyas)/ Clinics and Students got registered on the website within a month of the Launch.

Regular Visitors on the website are from 42+ countries across the globe.

Indianvaidyas.com aims to have 1,00,000 + Ayurveda Doctors on its platform by March 2020.
