

The Truth about Atlantis Uncovered in Compelling New Book

An enlightening and illuminating examination of a lost civilization

The background of the book cover features a dramatic scene of a rocky coastline. A large, dark rock formation dominates the right side, with a massive wave crashing against its base, creating a large splash of white water. The sky is dark and stormy, with several bright, jagged lightning bolts striking down. The overall color palette is dominated by dark blues, greys, and browns, with the golden text providing a stark contrast.

ATLANTIS

INSIGHTS FROM
A LOST CIVILIZATION

SHIRLEY ANDREWS

Pittsburg, Nov 12, 2019 (IssueWire.com) - [*Atlantis: Insights from a Lost Civilization*](#) by author Shirley H. Andrews is an extensive exploration of Atlantis, the legendary country once situated on the Atlantic Ridge. Andrews uncovers the truth about the mysterious lost civilization and examines its society and history, starting off with their religion, arts, architecture, and traditions.

While some may think that Atlantis did not exist, Andrews provides evidence that it did and even explores the possibility that it had extraterrestrial help with its great achievements. Her theories and hypothesis are backed with anthropological and archeological findings which will convince readers about the veracity of Atlantis' existence.

"Andrews' research is extensive, and she presents this information in vibrant and accessible language. Whether one reads with belief or skepticism, this is a fascinating look at a lost civilization that captures the imagination. Anyone with an interest in Atlantis will enjoy Andrews' work, whether taken as fact or conjecture. It is an enthralling read with vivid detail and an abundance of information with extensive research about Atlanteans and their everyday lives," shares the US Review of Books.

Andrews has had a passionate life-long interest in prehistory and has conducted research both in the U.S. and at the British Museum Library in London. Her investigations have led her to ancient monasteries high in the Himalayas, the Azores, the Andes, Central America, and the Tio Bustillo cave in Spain. She has appeared on numerous radio programs and gives popular lectures on Atlantis.

Shirley's work will be exhibited at the Authors Press booth # 454 during the AASL 19th National Conference & Exhibition, to be held on the 14th to the 16th of November 2019 at the Kentucky International Convention Center, located at 221 S. 4th Street, Louisville, KY, 40202.
