Uncloseted Love

Pittsburg, Dec 10, 2019 (IssueWire.com) - What began as a Missouri woman's much-anticipated trip to Europe to celebrate her upcoming 70th birthday quickly turns into a romantic thriller filled with unexpected turns around every corner. Told through the eyes of Rebecca Graham, the book takes the readers on a twisting journey of adventure, danger, the underworld, and the unexpected romance. Just when it seems safe to relax, a new development sets off another alarm, causing one to fear for Rebecca's safety, wonder whether her new-found love can survive, and scramble to solve on unfolding mystery after another one. The surprise ending will make the time spent on the journey with Rebecca well worth the wait.

Dee Turner, an Amazon customer says, "THIS IS A MUST READ BOOK!!! It's a book you won't want to put down. First I'd like to say the relationship between Rebecca and Mikael is one that every woman longs for. Secondly, the relationship of each character in the book is very meaningful and closely connected, and OMG, the details and descriptions throughout the book has you feeling as though you're right there. Lastly, the adventure, twist and each sequence of events that take place - from the awesome relationship between Rebecca and Mikael to... (you'll have to read the book) is what makes it all worth the while. In my opinion, this is a Best Seller."
