

Beat your Head High with the Recent Track of the Atlanta Rapper Yung Beria's 'ASAP'

The journey of Atlanta Rapper Yung Beria has already reached million hearts with his spontaneous and groovy track 'ASAP'. Stay tuned to know more about him!

Atlanta, Dec 31, 1969 (Issuewire.com) - Amidst all the forms of music we have, hip-hop is the hottest independent music genre in modern times. Hip Hop culture has been entertaining us for more than four decades but in the present context, it is not limited to just rhythmic beats and tapping foot but it adds on different sorts of spices to indulge audiences in exploring some exciting music and raw refreshments. **Yung Beria**, the [Atlanta rapper](#) based out from Atlanta Georgia blends the modern style of hip hop with his unique sound to provide an authentic form of music. **Yung** runs his creative ventures under the banner of his own production house Beria City Entertainment. He grew up with a penchant for different forms of music and has a great fascination for hip hop since his childhood.

Yung believes in, as every hip-hop stars do, manipulation of sounds makes a track more soulful as it helps to translate situations into a soundtrack. His new track '[ASAP](#)' which also features another Hip Hop star Xinnoa prompts the audience to get into a transcending beat with all its freestyle nature. There are many such original tracks created by him of which are available on Soundcloud. Along with '[ASAP](#)' the other tracks of this artist leave a favorable impact on the audience as they can't get over to it very easily.

Yung Beria has come up as a renown name in the world of Hip-hop, with a handful of some great indigenous tracks and some peppery hot seasoned mixes he is focusing to release his upcoming tracks very soon. Last December his fan went gaga over his concert which happened in Atlanta. There's no denying that the lyrical content of Yung's songs mostly deals with great intensity and severities of human emotions. Yung is very much active on social media to get more pieces of

information about his musical journey you must follow him on Instagram.
