Dorothy Milone has earned a special position in the entertainment industry with their new music ‘Imagination’

Georgia, Jan 7, 2020 (Issuewire.com**)** - Female Group of the year winner by Titan Arts Awards, **Dorothy Milone** recently added another feather to their hat by achieving this prestigious title. The special honor is selectively done to individuals and organizations that have shown outstanding artistic accomplishments or those who have made notable contributions to cultural development in the DMV (DC, Maryland, Virginia). The sensational **music group** has grown their popularity with their sensational moves and songs like ‘Gas U Up’.

With their recent single ‘Imagination’, **Dorothy Milone** has taken the nation by a storm which features Love and Hip Hop Atlanta’s Tokyo Vanity. Rising high on the charts at 25000 streams, the **music** continues to gain momentum and is receiving the deserved recognition.

Dorothy Milone also is known as D.E is a multi-ethnic group that was formed a few years back and came to limelight with their girl talk radio show. What has forever remained with the group is the urge to maintain a positive image and climb the ladder to success smoothly. Moreover, girls love to perform and participate with various people and organizations that believe in contributing to the community. They are also the ambassador to the Streetz Blunt Truth Tour. Follow their **entertainment** journey on Instagram for more information.
