LOVE

Houston, Dec 11, 2019 (Issuewire.com) - Has nervousness been holding you back from a much-needed dentist appointment? Well, worry no more as Dr. Farah Talib, DMD has finally introduced therapy dogs at Angleton Family Dental to make sure that a little furry friend gives you all the comfort and affection you need on your next visit to the clinic.

Dr. Farah Talib totally understands how difficult it can be for some people to cope with the worries of dental treatment. She supported the decision of introducing therapy dogs at Angleton Family Dental after studying research that suggested animal companionship helps reduce blood pressure, lower stress, and anxiety levels, and stimulate the release of endorphins which make people feel good.

One can visit Angleton Family Dental in Texas for all sorts of dental treatment. **Dr. Farah Talib** can be reached out to at Angleton Family Dental and two other dental clinics – Bayside Dental and Zara Dental in Texas. She specializes in certain parts of cosmetic dentistry like crowns and bridges, veneers and chairside composite veneers and is focused on improving the overall dental health of her patients.

About Dr. Farah Talib, DMD

Dr. Farah Talib received her **DMD** degree from the University of Illinois at Chicago. Later, she decided to move to Houston. At present, she is working with three leading dental clinics in Texas – Zara Dental, Angleton Family Dental, and Bay Side Dental where she provides comprehensive and affordable dental care services. The different dental care services include preventive care, dental exams, fillings, silver filling replacement, root canal, teeth whitening, dental bridges, dentures, crowns, extractions, and more.
