

Fulcrum Digital Honored as Great Indian Workplace in Emerging Enterprises Category at Culture Summit & GIWA

Pune, Dec 6, 2019 ([IssueWire.com](http://www.IssueWire.com)) - The essence of establishing affable and safe workplace is, in its indispensable quality, considering employees as a key driver. For its exceptional workplace culture, Fulcrum Digital, a company specializing in digital transformation services has been honored by UBS Forums as a Great Indian Workplace winner in 2019 in the Emerging Enterprises category.

The highly anticipated Great Indian Workplaces Awards (GIWA) held on December 4, 2019, in Mumbai recognized extraordinary organizations providing an affable and safe workplace considering factors such as stringent policies towards sexual harassment, a humane approach towards special ability people, gender equality, care for society, and people.

Commenting on Fulcrum Digital's recognition, Saud Zafar, Global HR Head said, "For us, culture means a shared set of beliefs, values and practices. We view our employee-centric culture as the foundation for our success, which is making a difference to employees, stakeholders, customers and partners alike. Over the last 20+ years, our vision has been consistent with the focus on encouraging our employees to embody trust, transparency, honesty, fun and empowerment in everyday life at Fulcrum Digital."

The company has supported a number of clients with their digital transformation, adapting solutions to their specific business needs and customizing the approach to deliver maximum value.

Krishna Ramaswami, Managing Director - India at Fulcrum Digital added, "We are immensely proud to be honored as a Great Indian Workplace winner this year. It is a testimony to our culture implying the level of trust that employees experience in their leaders, the level of pride they have in their jobs, the safety they enjoy at their workplace, and the extent to which they enjoy their work and time with colleagues."

About Great Indian Workplaces Awards (GIWA)

Great Indian Workplaces Awards (GIWA) is part of the Workplace Culture Summit, a premier knowledge-exchange platform that brings together Workplace Culture Champions to share ideas, information and solutions around the framework and key developments that will shape the Workplace Culture of the Future.
