Get to know Dentist Dr. Gina F. Delia, who serves patients in Hastings-on-Hudson, New York.

New York City, Dec 26, 2019 (Issuewire.com) - Dr. Delia is a reputable dentist who is currently serving patients' dental needs at Delia Dentistry in Hastings-on-Hudson, New York. There, she offers a range of general dental services, including routine cleanings, whitening, extractions, root canal therapy, bondings, and fillings.

For years, she had envisioned a dental practice that provides personalized, advanced care in a friendly,

relaxed, and professional environment. That's exactly the dental practice she created and continues to run under her long-term motto: "A Healthy Mouth with a Bright Smile."

"I chose dentistry to help people look and feel their best and because it combines the healing and creative arts that I love" explains Dr. Delia. To keep her practice on the leading edge of technology, she made the leap to 100-percent paperless records and web-based practice management.

After graduating with her Doctor of Medicine in Dentistry degree from Fairleigh Dickinson University, she went on to complete her training in Advanced Education in General Dentistry at Columbia University College of Dental Medicine. Having been in practice in Hastings-on-Hudson for more than 25 years, she also serves as an Assistant Clinical Professor at Columbia University College of Dental Medicine in New York City, New York.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.
