A matching set or a full swimsuit range between £40 - £50. The swimsuits in the collection are all different from each other, with strong colors that help express Confidence as the woman wears it. To top it off, the product is also delivered in style with our chic packaging making the experience of buying your luxury swimwear a treat as you open it.

“Noella Collection is perfect for the woman who doesn’t always have the confidence to show the majority of her body but wants to be able to be just as comfortable as the ones that do. It is perfect for those that feel like they have areas of their bodies that they are not comfortable with. It is perfect for those that want to be different. It is perfect for those that go for the quality. Overall Noella Collection will be perfect for the majority. “
