Linda Mak, MD Dermatologist in Private Practice

Get to know Dermatologist Dr. Linda Mak, who serves patients in California

New York City, Dec 24, 2019 (Issuewire.com) - As a well-respected dermatologist, Dr. Mak offers pristine dermatological solutions at her private practices in California. Some of the services that she offers include mole removal, anti-aging care, skin rejuvenation, Mohs surgery for skin cancer, laser treatment, cosmetic consultation, and anti-aging consultation.

Recognized for her excellent surgical techniques, she uses cutting-edge technology in dermatology to help solve patients’ problems. Whether patients are dealing with issues such as skin lesions, acne, warts, eczema, rash or skin cancer, they can trust this doctor to give their skin the nourishment it richly deserves.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.

In regards to her education, Dr. Mak has a medical degree. Among the many achievements Dr. Mak has earned throughout her fruitful career, she is the recipient of the 2018 Patients’ Choice Award, 2018 and 2019 Best Doctor Award, and 2019 Top Dermatologist Award.
