

Podcasting Studio Rentals Open In Jacksonville, FL

Studio Podcast Suites of Jacksonville Launches State-of-the-Art Broadcast Quality Studios for Personal and Business Podcasters

Jacksonville, Dec 2, 2019 (Issuewire.com) - Jacksonville based [Studio Podcast Suites](http://StudioPodcastSuites.com)™ has opened a state-of-the-art podcasting studio suite for rent, effective November 11th, 2019. “With the explosive growth in podcasting locally and nationally, now is the best time to open our professional podcast studio concept in Jacksonville”, said Gary Spurgeon, Owner of Studio Podcast Suites™. According to the 2019 Podcast Trends Report, *82.4% of people listen to podcasts for more than 7 hours each week.*

[Studio Podcast Suites](http://StudioPodcastSuites.com)™ offers hourly podcast studio rentals and podcast services for all levels of podcasters; beginners, experts, and businesses. Backed with 40-years of broadcasting experience, the studios are professionally designed and built like commercial broadcasting studios. These studios are specifically designed for podcasting.

In addition to renting podcast studios by-the-hour, they also offer a complete menu of podcasting services including; editing, hosting, video and live video streaming services. Spurgeon said, “Our goal is for the novice and expert podcaster to walk-in and starts their podcast in just minutes without any technical expertise. We want everyone’s podcast to sound as professional as the largest companies in America.”

Studio Podcast Suites™ is accepting studio reservations now through their website at www.studiopodcastsuites.com. Studio Podcast Suites™ is located at 10752 Deerwood Park Blvd., SouthWaverly II, Suite 100, Jacksonville, FL 32256. Phone: 904-394-2594.
