

Rap/Hip-Hop Artist Ceosonson Releasing New Music Video For “Rider” Soon.

Los Angeles, Dec 21, 2019 ([IssueWire.com](http://www.issuewire.com)) - Ohhhhhhhh yeah Sonniyoos, CeoSonSon is on the move again... Straight from da words of "Ryder", in which the video is coming full throttle at the top of the year! Yes, you heard right, CeoSonSon about to pop out with a new year motion picture for his fans. But, that's not it by far, as usual, BNF ENT plans to pay-it-forward, by implementing a few much-needed projects (i.e., helping those who are less fortunate, school supply giveaways, & the Sonniyoos street team incentive program). Sounds good right??? He's not done though. Realizing y'all been waiting patiently, with every new year, comes new things... TBA live performances in the making, see us soon at Bliss, Fillmore and Echo Stage. Also, this is where my Sonniyoos get to be seen and heard. Keep an eye out for postings related to meet and greets, with loyalty gifts included. Thanks for all your support, it's greatly appreciated, and don't forget... "We gonna move!"

Now, for da kickah... It ain't no secret, DMV has no record label available, for new artists/talent/scouting opportunities, right?!? BNF ENT plans to change that, we are the nation's Capital, why must we move in order to take advantage of opportunities? It's time out for mediocrity. I reiterate "WE ONNA MOVE", nahhh, let me rephrase that, for the confused ones in the back WE BOUTTA COME UP BOB!!!

All it takes is hard work and tenacity, have I ever let y'all down before? But, let me keep it all the way 100% witcha, we going to do this thang here together... Soon as we usher in the New Year, my assistant will organize a Sonniyoos Kickstarter, follow my social media links, so that you'll be fully aware of what's needed from all of us, myself included, in order for this endeavor to develop into fruition. Being the "Head Huncho" means nothing if your brand and movement fail to "Make A Way", as my lyrics promised, for those who are and always have stood with you, while you're flourishing. With that said, we got work to do, again keep a close eye on my pages, as significant information will be posted and updated there intermittently. Sonniyoos... Let's WORK!!! -Ceonsonson
