

STEINWAY LOUNGE in DUBAI OPERA

Dubai, Dec 5, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Grand Opening of Steinway Lounge in Dubai

HOUSE OF PIANOS proudly announces the grand opening of the Steinway Lounge to take place on December 12. Located in the art and cultural hub of Dubai at the entrance of the Dubai Opera, the lounge offers a perfect ambiance to present Steinway Spirio, the world's finest high-resolution player piano, for the first time in the UAE.

More than 150 guests from educational, hospitality and government agencies across the UAE as well as members of the royal family from UAE and Kuwait are expected to enjoy the exclusive performance of Steinway Artist Renzo Vitale on a Steinway Spirio. A second highlight will be the inauguration of the Lang Lang Black Diamond – a limited Steinway grand piano which was designed by US-designer Dakota Jackson in cooperation with Lang Lang and which is equipped with Spirio | r capable of live performance capture and playback.

HOUSE OF PIANOS is the authorized and exclusive dealer of Steinway & Sons in the UAE since October 10, 2017. General Manager Shavkat Mamadjonov says: "It is a great honour for me that we can open another showroom in Dubai featuring Steinway Spirio, the company's most significant product innovation in over 70 years. I am delighted that we can present this revolutionary player piano also in Dubai from now on."

Steinway fans, music lovers and even non-piano players are invited to experience the world of Spirio and experience the brilliance of this system life at the Dubai Opera Plaza.

About Steinway & Sons

Steinway & Sons pianos are the choice of nine out of ten concert pianists as well as countless professionals and amateurs. Since 1853 the company's pianos, each of which takes around a year to make, have set an uncompromising standard for sound, craftsmanship, design and investment. The

company only has two factories world-wide, based in Hamburg and New York.
