

Tareq Salameh, DDS, a General and Cosmetic Dentist with Occoquan Smiles, American Dental Care, and Eye Street

Get to know General and Cosmetic Dentist Dr. Tareq Salameh, who serves patients in Virginia

New York City, Dec 16, 2019 (Issuewire.com) - Specializing in general and cosmetic dentistry, Dr.

Salameh prides himself on getting to know his patients and developing a treatment plan that will meet their individual needs. He has been in practice since 2007 when he earned his Doctor of Dental Surgery degree from the University of Colorado Denver.

Currently, he practices at three locations, Occoquan Smiles in Woodbridge, Virginia, American Dental Care in Falls Church, Virginia, and Eye Street Dental Center in Washington, D.C.

“At Occoquan Smiles Family and Cosmetic Dentistry, we see it as our mission to help you enjoy your natural teeth for a lifetime. Like you, we believe that a healthy mouth and a beautiful smile contribute greatly to a happy life. Naturally, those who seek our services desire to attain and maintain the ability to smile attractively, to chew comfortably, to be healthy “forever“, and to provide their children with these same benefits.” as stated on the dental practice’s website.

American Dental Care is a falls church family-oriented dental practice that prides itself on providing comfort and satisfaction to its patients. It has grown to provide a world-class facility for the treatment of tooth loss, as well as cosmetic and advanced restorative dentistry. All professionals at American Dental Care maintain the highest levels of accreditation and pursue ongoing education to stay abreast of the latest trends in the medical field.

Located in the heart of downtown D.C., Eye Street Dental Center offers an array of general and cosmetic dental services, endodontics, and orthodontic care to suit the needs of people of all ages and dental conditions. The top-of-the-line dental facility has been providing the residents of Washington, D.C., Maryland, and Northern Virginia with a wide range of dental services and treatments ranging from routine check-ups to full mouth restoration.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general and cosmetic dentist, Dr. Salameh has the skills necessary to complete an array of procedures that are simple or complex in nature. To further advance his efforts in the field, he maintains professional memberships with both the Northern Virginia Dental Society and the DC Dental Society.
