

Tracedeals.in becomes India's first coupons & deals website

Tracedeals.in becomes India's first coupons & deals website with ultra-fast live search

Hyderabad, Dec 24, 2019 (IssueWire.com) - Hyderabad based startup, [Tracedeals.in](https://www.tracedeals.in) has become the first coupons & deals website in India to add the fastest live search to find the best deals from leading E-commerce websites. Live search will enable visitors to view the results in real-time, with the best deals shown as and when they happen across websites.

"We are delighted to be among the pioneers in providing the best and relevant deals to the Indian consumer in the online E-commerce segment" says SRAS, CEO of Tracedeals.

Most of the time, consumers miss the flash deals and discount deals especially in festive seasons like Christmas or New Year days. Tracedeals.in will enable the consumer to find the best deals from across millions of products in less than a few seconds.

"The rapid development of the Internet, cloud infrastructure and mobile uptake has given business and customers new opportunities. Online E-commerce websites, including Amazon, Flipkart, Paytm Mall, offer amazing promotions and discounts. Most of the time, these discounts are massive and 'exclusive' in nature. So basically, if you are looking to buy an LED TV of a particular brand, there are chances that a website is running an offer on it and you have missed visiting that website. TraceDeals search now makes online shopping super-fast and affordable for the Indian consumer", says SRAS, CEO of Tracedeals.

Tracedeals is making online shopping more convenient and time-saving. All promotions and discounts are available on one website, and you do not need to scan different websites to find the find deals. This

is also the best opportunity to save on expensive purchases significantly. You can buy products at a discount which is not available at your local brick and mortar neighborhood store.

Tracedeals lists the best deals and discount coupons from more than 150+ websites, including Amazon, Flipkart, TataCliq, Zomato, PepperFry, Paytm mall, Croma, Swiggy, Bookmyshow. You can, therefore, be assured that you are getting the deals from top trusted sellers only. Buyers get full information about products and services in one place, where they can compare the cost with and without discounts.

Tracedeals.in 'Handpicked deals' section is another popular section wherein it provides the best shopping deals that users can avail on that particular day.

“The future looks really bright. We are adding AI & ML to further improve the relevance and speed of our search. We are committed to providing the best shopping experience to Indian consumers and we are glad to see the growth in our visitors.” says SRAS.
