Zoom Delivery App: Easy drinks delivery to your door!

Northern Ireland, Dec 3, 2019 (IssueWire.com) - Zoom Delivery app is an exclusive pioneering drinks business, delivering alcohol and soft drinks direct to your door seven days a week. This app has been introduced by a pioneering technology start-up and provides an on-demand drink delivery service in the Limassol district. The user-friendly app allows its audience to choose from over 300 brands of drinks, including spirits, champagne, wine, beer, soft drinks, and water. They offer a huge range starting from your regular daily products to exclusive high-end wines and whiskey.

More about Zoom Delivery

Ever since its launch, Zoom has revolutionized Limassol's drinks delivery scene. The process is quick and simple for its users - just log in to the app by entering your mobile number and address, and start browsing. Once registered, the app displays the whole product range and provides an estimated time of delivery. Zoom's vast range includes beer and cider, brandy and cognac, champagne, prosecco, soft drinks and more.

How to use the Zoom Delivery App

The Zoom Delivery app is super simple to use. Once registered, you can start adding products to your cart and checking out in just a few clicks.

Simply add addresses via the postcode or a pin drop onto Google Maps and save them for next time. There is an immediate delivery option (usually within an hour) or you can opt for a scheduled delivery time slot. Users can even receive live notifications on the status of their orders. Pay either by cash or card on arrival - it really is that simple.

Share the [Zoom Delivery app](#) with friends and get discounts off your next order. Businesses interested in collaborating can easily register as a trade customer to access the wholesale price list.
