

Aventura Mall New Year's Eve 2020 Celebration

Miami, Jan 30, 2020 (Issuewire.com) - 2019 has been a year filled with numerous events. Now, it is time to close the chapter and step into 2020. Before 2019 hits the final hours, why not end the year in a much more special way? Miami is currently gearing up to host numerous events for the New Year's Eve. Lots of events are planned to take place, many celebrities will come up to give their performance, and concerts will be lit. However, Aventura Mall has taken the responsibility to be the host of numerous events and activities for its customers.

Currently, there are many [Events In Miami](#), which are been planned and prepared for the big day. Some of the events that will take place are namely, the Jonas Brothers performing in Fontainebleau, Marshmallow at LIV, and Pitbull's Mr. Worldwide VIP food and wine party. Apart from these events, there will other special events that will be held around the city of Miami.

However, there will be also numerous [Kids Activities Miami](#) to take place as well and the well-known Aventura Mall will conduct it. It will not just be the kids but the parents too can enjoy the activities, which this mall has to offer. Activities like, the chance to see, feel and douse into the iconic green goo at the Slime City hosted by Nickelodeon. Individuals will be given the chance to create their version of slime,

with the help of the 2000 square foot space.

On the other hand, the mall will allow families to travel around the confectionary wonderland in Candytopia. The place is total candy heaven and the best place for all candy lovers. Children will love the imaginative installation of unicorn pigs, marshmallow theme parks and colossal candy creations.

One customer who visited the Aventura Mall said, *"I and my family had a life-changing experience by participating in several activities, which is conducted by the mall. My kids enjoyed themselves and will come back for more again next year."* Some many events and activities are waiting to be opened to the visitors, to welcome the year of 2020 in the best way possible.
