

‘Boogie Woogie Man’ by Honky Crew (feat. by Peter Egri) is the new phenomenal blend of rock and roll

There is a novelty in the compositions of Honky Crew and they take their music to another height with ‘Boogie Woogie Man’ that features talented vocalist Peter Egri.

Budapest, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - The Electro swing band **Honky Crew** presents a

melodic combination of electronic music with groovy jazz rhythms featuring the lead singer of the Mystery Gang, **Peter Egri**, in the latest single '**Boogie Woogie Man**' that is out now on Spotify. The famous Electro swing band **Honky Crew** first came into existence when two pillars of the band, ORDIMAN, the well known Electro Swing DJ/producer came across another talented soul, LASZLO TAMAS, who is a vintage style drummer.

They both incorporated a great idea together that formed the exuberant band that has been entertaining the club-goers and Electro music lovers for years with their high spirit beats. After a number of hit singles and EPs, and successful live shows, [Honky Crew](#) brings forth an extraordinary composition that showcases upbeat electro-swing beats and peppy jazz music molded in one piece of the song '[Boogie Woogie Man](#)' with the vocalist **Peter Egri**.

Peter Egri is a successful singer who is an integral part of the 50's Rockabilly band Mystery Gang from Budapest and got a breakthrough with the latest single '**Boogie Woogie Man**' by working with the sought-after duo power **Honky Crew**. The new single has brilliant piano riff with groovy saxophone chords that bring out the gay mood. It is the best composition of Parov Stelar. It has come out from the production house of Electro Swing Thing that has been making Electro Swing, Swing House, House and Neo Swing music in the industry for quite some time now.
