

Get Best Residential Property with the Help of Vedic Housing Society

Vedic Housing Society offers a unique housing facility that is specially meant for all classes of people and offers luxurious features too. You can achieve your dream home with the help of the Vedic Housing Society.

New Delhi, Jan 3, 2020 (Issuewire.com) - The Vedic Housing Cooperative Society is one such which offers the housing facilities which comes under the rules of the cooperative principles.

Vedic Housing Society is registered under the Central Registrar of Cooperative Societies. The society also has future plans for the development of residential schemes which will come in the close proximity of Dwarka Expressway, New Diplomatic Enclave, Gurgaon and IGI Airport Delhi. Apart from that, there are urban development plans also which are taking place under the DDA Land Pooling Policy. Now you can achieve your dream home with the help of the Vedic Housing Society.

The company meets all the requirements of the ever-growing needs of the citizens with regards to a housing scheme which is an affordable one. Commercial spaces are also available under this project but the entire focus is on offering a housing scheme which is luxurious and also affordable even for the people of the middle class. Keeping in view the needs of the middle-class family and others this scheme has been made. As per the [DDA Land Pooling Policy](#), the landowners and developers can now retain 60% of the pooled land. It will be used for residential and commercial.

About the Company:

The company aims at offering **affordable homes in Delhi** to the buyers with facilities like the blue-green infrastructure, integrated road network, efficient waste management, parks and playgrounds, smart infra system, sports complexes and stadiums, and also exhibition halls.
