New York City, Jan 23, 2020 ([Issuewire.com](https://www.issuewire.com)) - Specializing in cataract surgery and lens implantation, Dr. Fishman is a board-certified ophthalmologist who is retired from practice.

With over 60 years of experience in his field, he provided exceptional care to his patients within his own private practice, Gordon Fishman Eye Physicians of Michigan, in Troy, Michigan. In addition to his affiliation with DMC Sinai Grace Hospital and Detroit Receiving Hospital, he also served as a Clinical

Instructor of Ophthalmology at William Beaumont Hospital in Royal Oak, Michigan from 1965 until 1978.

Back in 1955, Dr. Fishman earned his medical degree from the Wayne State University School of Medicine in Detroit, Michigan. Pursuing advanced medical training, he completed a residency with the Kresge Eye Institute, also in Detroit.

Following his education, the doctor became board-certified in ophthalmology by the American Board of Ophthalmology (ABO). The mission of the ABO is to serve the public by improving the quality of ophthalmic practice through a process of certification and Maintenance of Certification that fosters excellence and encourages continual learning.

Throughout his many years of experience, he has upheld a steadfast commitment to the ethical and professional standards of his practice, as evidenced by his sterling record. He feels that his success is attributable primarily to his diligence and education, as well as continually staying abreast with the latest advancements in his field.

Ophthalmology is a branch of medicine and surgery, which deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. They may provide routine care such as vision testing, as well as prescribe and fit eyeglasses or contact lenses. However, ophthalmologists are also surgeons. They repair traumatic injuries to the eye and perform cataract, glaucoma, and corneal surgery.

Currently, Dr. Fishman resides in Newport Beach, California.
