Los Angeles, Jan 8, 2020 ([IssueWire.com](https://www.issuewire.com)) - Leading European Hydra Dermabrasion Facial and skincare product supplier launched 10 West Los Angeles area locations this week, a full week ahead of schedule.

"We are overjoyed to be in such ultra-luxury communities like Beverly Hills, West Hollywood and Santa Monica among others" from Stephanie Lanzafamme founder of Hydra Vita Plus. She went on to say "The partnership we have forged with 212 Equity Partners has exceeded our wildest expectations, this is just the beginning to 2000 United States locations this year"

Hydra Vita Plus offers a revolutionary 6 in 1 facial process starting with a mild hydra dermabrasion of your skin, then completely flushes your pores with water removing all dirt and contaminants, followed by

oxygen and light therapy which smooths the skin and reduces the appearance of fine lines and ends with a toner/moisturizer appropriate for the skin type that leaves your skin glowing. Beverly Hills salon owner Carol Barron stated after her guests saw the results at her launch party she has appointments booked solid for the next month.

The company has 100 new locations scheduled to launch in early February 2020, look for Hydra Vita Plus facials and skincare products at a salon near you soon.

About Hydra Vita Plus: The Company was founded in Italy in 2006 with a proprietary method for hydra dermabrasion facials. This led to the creation of a 6 in 1 machine that provides hydra, dermabrasion, light therapy, oxygen therapy, micro-needling and product delivery for professionals in the facial industry. They also offer a line of skincare products to help with anti aging, fine line repair, complexion toner and moisturizer and acne treatment and prevention.

About 212 Equity Partners: Founded in 2009 with offices in New York, NY and Coral Gables, FL the firm is a “family office” specializing in the acquisition and growth of opportunities. Achieving several successes in US and European Real Estate development the firm branched out into healthcare in 2012 creating several successful partnerships in the Dental, Ophthalmology, Dermatology and Regenerative fields.
