**New York City, Jan 24, 2020 ([IssueWire.com](http://IssueWire.com))** - Author S M Boland promotes her new five stars rated women's fiction novel, The Pâtissière.

A delicious tale of murder and sweetness set in the world of Haute Patisserie. A young girl's life is

transformed by a visit to the greatest Salon du The in Paris, where she discovers more than the sophisticated magnificence of a Mont Blanc or the delectability of an Éclair. She finds a new world, one which lures her in, corrupts her, consumes her and ultimately destroys her. What 'Perfume' did for scent, 'The Pâtissière' does for taste. Five-star ratings on Goodreads.
