Get to know Orthopaedic Surgeon Dr. John S. Juliano, who serves patients in Warwick, New York.

New York City, Jan 30, 2020 ([Issuewire.com](https://www.issuewire.com)) - Dr. Juliano, a board-certified orthopaedic surgeon, is one of the most highly ranked doctors in the United States. He is currently affiliated with Crystal Run Healthcare in Warwick, New York.

Crystal Run Healthcare is a premier multispecialty group practice with over 400 providers in over 40 medical specialties and more than 30 practice locations in the Hudson Valley and lower Catskill region to serve patients' needs. The mission of Crystal Run Healthcare is to improve the quality and availability of, and satisfaction with, healthcare services in the communities it serves. To accomplish this goal, the practice emphasizes medical excellence, as well as responsiveness to consumer needs through service excellence and patient empowerment.

In his current capacity, Dr. Juliano is also affiliated with several hospitals and medical centers in the area, including St. Anthony Community Hospital in Warwick & Orange Regional Medical Center in Middletown, New York. Prior to his current endeavours, he served patients at his private practice, John S. Juliano, MD, P.L.L.C., in Goshen, New York.

The doctor's acclaimed career in medicine began after he earned his medical degree from the Georgetown University School of Medicine in Washington, D.C. He then went on to complete his internship in internal medicine and his residency in orthopaedic surgery at the National Naval Medical Center in Bethesda, Maryland.

In order to keep current on the newest advances in his field, he is board-certified in orthopaedic surgery by the American Board of Orthopaedic Surgery, which is an organization with the goal of establishing educational and professional standards for orthopaedic residents and surgeons, as well as evaluating the qualifications and competence of orthopaedic surgeons.

Orthopaedic surgery is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopaedic surgeons use both surgical and nonsurgical means to treat musculoskeletal trauma, spine diseases, sports injuries, degenerative diseases, infections, tumors, and congenital disorders. They work in clinical and hospital settings.

Outside of the office, Dr. Juliano enjoys martial arts, having trained in the discipline since 1974. He also enjoys participating in Boy Scout events - hiking, camping both cold weather and warm weather, as well as going on medical service trips.
