Earning her Doctor of Dental Surgery degree from New York University in 2002, Dr. Mallouhi has been in practice for over 18 years. Her patients have excellent things to say about her, one stating, "Every time I come to the Dental Center of Hackensack, I am greeted by the nicest people and feel totally welcomed. Although I'd rather not go to a dental appointment, Dr. Fares Mallouhi always makes it worth my while. She is compassionate, focused, knowledgeable, and gives me whatever time I need to feel comfortable with suggested treatments. I wholeheartedly recommend her and Dental Center of Hackensack."

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
