

Meet Magento India 2020: The Biggest Magento Event of the Year

Netsmartz, Magento Solution Partner and Adobe Partner to feature as one of the proud sponsors of the event

The banner features an orange background with a hexagonal pattern. At the top left, it says 'Sponsored by netsmartz Global Technology Solutions Partner SINCE 1999'. To the right is the 'Meet Magento INDIA IN' logo. The main text reads: 'Netsmartz, as one of the proud sponsors of the event Let us connect at the biggest Magento event of the year, Meet Magento India 2020'. Below this is a 'Schedule A Meeting' button. On the right, a calendar icon shows 'Feb 1st, 2020 8:00 AM Onwards The Leela, Mumbai'. At the bottom left is the 'Wagento The Code of Commerce' logo. At the bottom right is the hashtag '#MM20IN'.

Chandigarh, Jan 13, 2020 (Issuewire.com) - Since the year 2019 added a lot of value to Magento with updates on Magento 2 and Magento Commerce Cloud, January 2020 kicks off with the news of the biggest event for Magento Commerce Community across India, "[Meet Magento India 2020](#)".

With accelerated followership on social media as #MM20IN, the event is expected to bring limitless possibilities and opportunities for the eCommerce industry in the coming times. The event is being organized by Wagento, on February 1st, 2020, at Hotel "The Leela" in Mumbai.

Netsmartz, a Magento Business Solution Partner, will be featuring as one of the proud sponsors of the event along with many big names of the industry. Since Netsmartz is always recognized as a giant in Cloud and infrastructure services, it will be a great opportunity for attendees to connect and draw an impactful eCommerce impression from the experts.

With its lasting proficiency in online commerce solutions, Netsmartz asserts the event to be a wave of learning opportunities for eCommerce enthusiasts, as it will have the giants of the Magento Community around the world. In other words, merchants and service providers attending the event will be able to extract impactful insights for their business to propagate well in 2020.

Netsmartz is a brand with proficiency in Magento technology for around 10 years, which includes an experience of working on 500+ Magento implementations. With 200+ Magento developers, Netsmartz comes under the list of the biggest Magento development company with its 8 global office locations.

On this, [Manipal Dhariwal](#), the founder and CEO of Netsmartz says, “I believe Meet Magento India 2020 will be an event that will bring so many unique revelations to empower eCommerce growth. Netsmartz understands the potential of the Magento community and this sponsorship will be a gesture to show gratitude towards the community and empower Magento growth in APAC, specifically for India.”

With the active participation that happened during 2018 Magento Meet India, this year, the total number of attendees is likely to reach 600 or more. The entire anticipation is emerging from the fact that Meet Magento is an event that is organized in more than 40 countries, including Argentina, Germany, Indonesia, Japan, Mexico, Spain, UAE, and the United States.

To bring the changing face of eCommerce in front and unleash the possibilities, the event will have some of the most prominent names of the industry as speakers:

- **Vinai Kopp:** Magento Master, Magento Trainer, Developer, Consultant, and Author
- **Sourabh Rajpal:** Technical Mobile Solutions Consultant
- **Jisse Reitsma:** Developer, trainer, speaker, organizer of Reacticon & MageTestFest, & Founder of Yireo
- **Chellyan Pancras:** Partner Sales Manager, SEA & India at Adobe
- **Marsha Naldo:** COO, MageMojo, LLC
- **Ravi Trivedi:** Founder of PushEngage
- **Sergil Ivashchenko:** Sr. Software Engineer, Adobe
- **Arun Bansal:** Founder and CEO at ServerGuy
- **Stefan Willkommer:** CEO at TechDivision GmbH
- **Vikrant Shukla:** Business Solution Architect Magento (APAC) at Adobe

On the whole, the event will have 25+ speakers, accounting for the pros and many more highlighted names of the eCommerce and Magento community across the globe. On top of it, Netsmartz shared some compelling reasons and facts that make “Meet Magento India 2020” a must-visit event.

- Meet Magento India is the best place to find solutions on queries related to Magento 2 migration, shopping experience design, conversion rate optimization, and feature-rich custom integrations.
- Magento Meet India is a golden opportunity to network with Magento pundits who have a solid grip on Magento and eCommerce.
- The event brings opportunities to acquire the upcoming and necessary trends that will rule the year 2020, throughout.

- Magento meet will bring opportunities to build a better network and promote collaborations to boost business growth.

All in all, Meet Magento India 2020 can be considered as a treat to Magento enthusiasts with unlimited opportunities to build connections and ensure productivity in business, with the right use of Magento power. Netsmartz also invites all the eCommerce enthusiasts and the Magento community to experience MM20IN as it appears to be a not to be missed opportunity. The event will be an insightful and transforming session for:

- Prospective as well as established merchants
