

Meet Reza Mirzaei an Iranian Famous Model and Instagram Star

Reza Mirzaei Borned 14 December 1993 In Shiraz Is an Actor, Model And Instagram Star

New York City, Jan 10, 2020 (IssueWire.com) - Reza Mirzaei who's popularly known as Famous Middle East Instagram Star, Model, Actor has been getting a lot of momentum on social media.

Born on December 14, 1993, in Shiraz, he pursued his education in Computer hardware engineering in Tehran. However, despite being an engineering student he was inclined towards the world of digital media. That saw a change in his work and since early 2009 he has been active on social media platform Facebook. After understanding several aspects of digital media, he founded a Persian digital media agency. With novel ideas, his company saw decent growth in the digital world

He Started Actor Career at 2005 By Acting on Film Kheili Door Kheili Nazdik Directed By Reza Mirkarimi He has a lot of fans in Iran He has accumulated over 490,000 followers on his rezamirzaei Instagram account.

Today we live in a world where people have access to the content which has no limit. Keeping this in mind, Reza believes to give his audience the content which works best according to the latest trends. With the ever-growing and ever-changing content, the digital influencer has been open to experimenting with new ideas. Talking about it he said, "Today's era is growing at a rapid pace and digitalization is reaching new heights. As an influencer, I make sure to create the content which has a universal appeal and due to cut-throat competition I need to make sure that my content stands apart from all."
