A New Music Experience , Artist Sasquatch Josh: writing, and perfecting his skill, flow and craft as an aspiring hip hop artist

Los Angeles, Jan 27, 2020 (Issuewire.com**)** - New Music and New Artist Spotlight " SASQUATCH JOSH"

One-third of the demented duo known as "DementeD NayChiR", Sasquatch Josh hales from the sticks of Morgan Hill California. For over 10 years, Sasquatch has been writing and perfecting his skill, flow, and craft as an aspiring hip hop artist, or MC. With his partners, AleX DementeD & The Zombie King, DementeD NayChiR has been on the grind with at least one show a month for a little over 5 years. Their first show was at "South First Billiards" in downtown San Jose, California, hosted by Natural Selections and Zulu Nation's "The Abfact". DementeD NayChiR rocked the house and brought on horrorcore heavyweight Bunny Chiba to perform his verse for "Eye'll Be Bye"; their foul mouth punchlines, violent lyrics, and leaving the venue smelling of vape pens made it so they were unable to return.

Sasquatch Josh, AleX DementeD, & DementeD NayChiR are the names to look for.

In the 5 years of performing, Sasquatch Josh has made a name for himself by overcoming competition for things such as the 1st ever NorCal Juggalos Cypher contest, to take home the 1st ever banner that was ever made for NorCal Juggalos, signed by people from all over California. Squatch was also one of 300 people picked world wide to be selected for live auditions to TeamBackPack's 2014 tryouts at Mission Underground Los Angeles, then returned the year after for MULA 2015. He's gotten 3 Battle of the Zae battles on the Counter Productive page, 12 battles on Power and Respect Emcee Battle League, and the count is still growing. He has opened for acts such as Brotha Lynch Hung, Wrekonize, Kung Fu Vampire, Jedi Mind Tricks, Jeff Turner, G-Mo Skee, Dirtbag Dan, Rittz, Snow Tha Product, Lock Smith, Phora, Jarren Benton, Boondox, Axe Murder Boyz, DJ Clay and more
