

Renowned California Reggae Band BIG MOUNTAIN Keeps on Surprising Their Fans

The well-known California based music band calls BIG MOUNTAIN has enthralled their fans over the years with good music, their recent tracks are no exception.

San Diego, Dec 31, 1969 (Issuewire.com) - The charm of good music helps in healing people from several pessimisms of life. This mood reflects in the music of **BIG MOUNTAIN**, this California based music band has managed to remain the number one Reggae music band worldwide. They are so magnificent with their creations that with each of their tracks they handsomely surprise a large number of audiences. In the initial years when they came into existence back in the year 1994 they earned the spotlight with their renown track 'Baby I Love Your Way'. Recently they have enthralled their fans with two of their magnificent tracks '**Angelina - (Radio Version)**' and '**Oooh Baby I Love Your Way Everyday**' these songs are creating much hype in Spotify.

They run their artistic ventures and creative endeavors under the label name of Euro Tec Music

Group. **'Oooh Baby I Love Your Way Everyday'** seems like a fresh remake of their own hit song **'Baby I Love Your Way'** and the music of **'Angelina - (Radio Version)'** shows us a collaboration of **BIG MOUNTAIN** and **Raingad**. Let's hope that on further days they will collaborate again to create such marvelous creations. This song is unique in their own ways and both of it has positive uplifting lyrics which can give the audience a positive vibe.

BIG MOUNTAIN gets inspiration from famous and popular music maestros like Bob Marley, Tribal Seeds, Pepper, Rebelution, Slightly Stupid, UB40 and Chronixx. To know more about this admired band and their creative approaches follow them on **Instagram, Twitter, Facebook, and YouTube**.
