

Robert H. Rivera, MD, an Internist with Advance Health Medical Group

Get to know Internist Dr. Robert H. Rivera, who serves patients in Burbank, California.

New York City, Jan 24, 2020 (Issuewire.com) - Fluent in both English and Spanish, Dr. Rivera is a board-certified internist who practices at Advance Health Medical Group in Burbank, California. He is committed to excellence in comprehensive health care for men and women, in a partnership that honors patient individuality and dignity. His approach involves understanding the patient's health care needs

and implementing state-of-the-art techniques and compassionate care.

The doctor is also affiliated with several hospitals and medical centers in the area, including Providence Saint Joseph Medical Center, Glendale Memorial Hospital and Health Center, St. Mary Medical Center, and USC Verdugo Hills Hospital.

A 1997 graduate of the Medical College of Wisconsin, Dr. Rivera went on to complete his internship and residency at Adventist Health White Memorial in Los Angeles, California, where he served as Chief Resident.

Before long, he became board-certified in internal medicine by the American Board of Internal Medicine, a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine or general medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

With clinical interests in hypertension and diabetes, Dr. Rivera has been a principal investigator for peripheral vascular disease research and a sub-investigator for schizophrenia & major depression research.
