

# Schlitz, Germany: CTHousekeeping Unveils Local Housekeeping Service, Starts Off with Amazon Giveaway Contest

Housekeeping Service CTHousekeeping by C Tako Unveils Amazon Giveaway Contest

## *Housekeeping* by C Tako

**Schlitz, Jan 21, 2020 ([IssueWire.com](http://IssueWire.com))** - Today, CTHousekeeping has unveiled its housekeeping services within the Schlitz / Hesse area. The company provides various housekeeping services to landlords, companies, private clients and also on-demand services. Unlike most housekeeping services, the company focuses on reliable, throughout services within its niche.

"Unlike most housekeeping services, we focus on ensuring our clients get the results they expect. The priority of our company and services is making sure our clients are happy with our results.", C Tako, the owner of CTHousekeeping services commented.

No matter if a client already employs a housekeeping service and wants to switch, if an on-demand service is required due to holidays of a client's regular service or if a landlord is looking for a quick service after a tenant has moved out - CTHousekeeping provides all necessary services to get things moved in a professional manner.

To celebrate the company's new services, C Tako, the CEO of CTHousekeeping has announced a 500 Euro Amazon gift certificate giveaway contest. To participate, interested parties can join the contest by posting a message on the company's Facebook page listed below.

About CTHousekeeping

CTHousekeeping was formed back in 2018 when C Tako noticed the high demand for housekeeping

services within his local area. The company quickly noticed that many local services did not satisfy their client's needs, which is where the CEO of the company acted on quickly. Today, more than a year after the company's launch, many clients trust the company when it comes to all sorts of housekeeping services.
